B. Best of Show E-Portfolios: Production – 1200 points

Option A: Senior completes PTD Pocket E-Portfolio and OnLine Career Portfolio

Option B: Senior completes an ITS WebFolio, OnLine Career Portfolio, and a Baseline PTD Pocket E-Portfolio

1. PTD Pocket E-Portfolio: Each student is required to turn in a CD version of their Best of Show Portfolio – 600 Points (worth 300 points if you chose Option B)

<http://ptd.kennesaw.edu/eportfolio/#>

Portfolio Theme Options:

- a. Academic Major Course Work
- b. Volunteer Work
- c. Employment History
- d. KSU Student Activities

- e. Travel
- f. Starting a Business
- g. Hobbies/Interests
- h. Graduate School
- i. Military Experience

Each student is required to turn in a CD-R version of the **Best of Show Pocket E-Portfolio** designed and developed through the training at PTD implementing the **RACCE College Senior Portfolio Process**.

At minimum, the **Best of Show Pocket E-Portfolio** will showcase beginning mastery of PTD Introduction to E-Portfolio Training, which includes use of Adobe InDesign, Adobe Photoshop, Adobe Acrobat, and Storyboarding which features a main template page with 3-5 main subheadings. These 3-5 main subheadings will each link to a separate page for each highlighting your learning story.

Students can use the PTD E-Portfolio Templates designed for KSU Seniors in KSU 4401, if interested in creating your own E-Portfolio Template consult professor.

For examples of College Senior Pocket E-Portfolios consult:

3. ITS WebFolio – 600 points:

ITS Technology Training Schedule –training will occur during class time.

<http://its.kennesaw.edu/work-stu/index.htm>

Portfolio Theme Options:

- a. Academic Major Course Work
- b. Volunteer Work
- c. Employment History
- d. KSU Student Activities
- e. Travel
- f. Starting a Business
- g. Hobbies/Interests
- h. Graduate School
- i. Military Experience

Utilize the Cross Platform Capability of the OnLine Career Portfolio, Pocket E-Portfolio and /or if you chose, the ITS WebFolio. Showcasing your *FolioThinking* by clearly integrating the KSU Best of Show E-Portfolio Formats develops your learning story, integrates technology to best view your learning story, and increases the varying uses for your portfolio (i.e. Archiving college learning, academic advising, declaring an academic major, internships/coops, scholarship applications, employment, etc.)

- Upload CD PTD Pocket E-Portfolio to OnLine Career Portfolio
- Include the intranet address on the OnLine Career Portfolio on the PTD Pocket E-Portfolio
And /or ITS WebFolio
- Create a “Technology” File Tab on the Online career portfolio listing all the technology training you took this in KSU 1101 this past semester
